GS1 Healthcare Awards for New Delhi - India

36th Global GS1 Healthcare Conference, Delhi, India

Els van der Wilden, GS1 Director Healthcare Providers
November 2019

GS1 Healthcare
is a voluntary
and global user
group,

WHAT

leading the
healthcare sector
to the successful
development and
implementation of
global standards.

WHY

This group brings
together experts in
healthcare to
enhance patient
safety and supply
chain efficiency.

HOW

Some GS1 Healthcare Activities

Healthcare Provider Recognition Award GS1 Healthcare Delhi, 2019

Peter O'Halloran
Chief Information Officer
at ACT Health, Canberra

If the initiative does NOT improve patient outcomes and/or generate efficiencies, why are we doing it?

Key lessons

- Clinical benefits must be evident, always
- It takes a long time, far too long
- Always know exactly what is happening globally
- Share your successes with the global community
- NEVER succumb to local/national variations
- Don't forget the patient, their family and carers
